BRYANT'S SURGERY.

Third Edition, Revised and Enlarged.
2 vols, crown 8vo, 28s.

"It has so much compactness, is so full of matter well employed and of experience well used, the illustrations are so good, and the rough purposes of a student's textbook are so well fulfilled, that we are not surprised that with the average medical student such a book is popular."—*British Medical Journal*.

"Mr. Bryant's work does him great honour, does his great Hospital honour, and stamps its author as a quite worthy descendant in a famous line, which includes the great Sir Astley."—*American Practitioner*.

"It is one of the very best treatises in surgery it has been our privilege to peruse; it is mature in its composition, sound in reasoning, full and complete in representing the varied subjects, and clear in its diction."—*St. Louis Clinical Record*.
