Dr. ROBERT LIVEING on SKIN DISEASES. Just published, in small 8vo, price 4s. 6d.

A Handbook on the DIAGNOSIS of SKIN DISEASES. By ROBT. LIVEING, M.D., F.R.C.P., Lecturer on Diseases of the Skin, and lately Physician to the Middlesex Hospital. "This modest, small octavo volume, careful, accurate, and knowledgefully furnished with abundant evidence of the value of special appointments and special studies in general hospitals." — *Brit. Med. Journal*.

"In some respects this little duodecimo book of Dr. Liveing's, of 266 pages, is one of the most important works on dermatology which has been published in England for a long time." — *American Archives of Dermatology*.

Fourth Edition, price 3s., 18mo.

Treatment of Skin-Diseases.

"It is the best compendium of cutaneous therapeutics that we know of, and its rapid success is thoroughly well merited." — *Dub. Med. Jour.*

London: LONGMANS & Co

Now ready, Third Edition, price 2s. 6d.

Consumption, and its Treatment by the HYPOPHOSPHITES. By JOHN C. THOROWGOOD, M.D., F.R.C.P., Physician to the City of London Hospital for Diseases of the Chest, Victoria Park, etc.

BAILLIÈRE, TINDALL, & Cox, 20, King William Street, Strand.

Price 6s.

Operative Surgery; adapted to the LIVING and DEAD SUBJECT. By (the late) C. F. MAUNDER, Surgeon to and Lecturer on Clinical and Operative Surgery at the London Hospital. Second Edition, with 164 Illustrations.

London: J. & A. CHURCHILL.

BRYANT'S SURGERY.

Third Edition, Revised and Enlarged.
2 vols, crown 8vo, 28s.

"It has so much compactness, is so full of matter well employed and of experience well used, the illustrations are so good, and the rough purposes of a student's textbook are so well fulfilled, that we are not surprised that with the average medical student such a book is popular." — *British Medical Journal*.

"Mr. Bryant's work does him great honour, does his great Hospital honour, and stamps its author as a quite worthy descendant in a famous line, which includes the great Sir Astley." — *American Practitioner*.

"It is one of the very best treatises in surgery it has been our privilege to peruse; it is mature in its composition, sound in reasoning, full and complete in representing the varied subjects, and clear in its diction." — *St. Louis Clinical Record*.

J. & A. CHURCHILL, New Burlington Street.

Second Edition, Revised and Re-written.

Diseases of the Joints.

By R. BARWELL, F.R.C.S.

With numerous Illustrations.

[In the Press.]
MACMILLAN and Co., London.
