Diseases of the Ear.

By GEORGE P. FIELD, M.R.C.S., Aural Surgeon to St. Mary's Hospital and Lecturer on Aural Surgery in the Medical School.

"This book is worthy to have reached a Second Edition in a very short time as it has done. It will be found to be very practical and helpful to the student and to the general practitioner."—*Lancet*.

"The medical practitioner will not often take up a book on a special subject the perusal of which will afford him more pleasure and satisfaction."—*Medical Press and Circular*.

"Of all the smaller text-books we have recently seen this seems to us to contain the most....The plan is novel and the book is good."—*Medical Times and Gazette*.

"Plain, shrewd common-sense."—*Brit. Med. Jour.*

"Book of value for reference."—*American Journal of Otolaryngology*.

London: H. RENSCHAW, 356, Strand.
