DR. PROSSER JAMES ON THE THROAT.

FOURTH Edition, with Coloured Plates, 6s. 6d.
SORE THROAT, its Nature, Varieties, Treatment, and Connection with other Diseases. J. and A. CHURCHILL, 11, New Burlington Street.

With 10 Plates and 25 Woodcuts, 8vo, 7s. 6d.
Stricture, and other Urinary DISORDERS. By REGINALD HARRISON, F.R.C.S., Surgeon to the Liverpool Royal Infirmary.

"These lectures contain an able record of an extensive experience. The cases chosen to illustrate his views are well selected, and in themselves form a collection of clinical observations of no small merit."—*Med. Times & Gaz.*
"We have seldom read a book with greater enjoyment than this. The charm of it depends upon the manner in which the subject is handled quite as much as, if not more than, on the intrinsic attractiveness of its theme."—*Indian Medical Gazette.*

"We have space only for this brief notice of some of the principal features of these admirable lectures.... It is calculated to be of great value to practitioners as well as students."—*New York Medical Journal.*

"Ce petit livre élémentaire est un résumé clinique concis, clair, bien lisible, intéressant, écrit sur la partie la plus importante de la pathologie des voies génito-urinaires, sur leur traitement."—*Gazette Hebdomadaire.*

Liverpool: HOLDEN. London: CHURCHILL.

Now ready, with Coloured Illustrations, in 1 vol. of over 700 pages, royal 8vo, 25s.

On the Bile, Jaundice, and BILIOUS DISEASES. By J. WICKHAM LEGG, M.D., F.R.C.P., Assistant-Physician to St. Bartholomew's Hospital, etc.
London: H. K. LEWIS, 136, Gower Street, W.C.

BRYANT'S SURGERY.

Third Edition, Revised and Enlarged.
2 vols, crown 8vo, 28s.

"It has so much compactness, is so full of matter well employed and of experience well used, the illustrations are so good, and the rough purposes of a student's textbook are so well fulfilled, that we are not surprised that with the average medical student such a book is popular."—*British Medical Journal.*

"Mr. Bryant's work does him great honour, does his great Hospital honour, and stamps its author as a quite worthy descendant in a famous line, which includes the great Sir Astley."—*American Practitioner.*

"It is one of the very best treatises in surgery it has been our privilege to peruse; it is mature in its composition, sound in reasoning, full and complete in representing the varied subjects, and clear in its diction."—*St. Louis Clinical Record.*

J. & A. CHURCHILL, New Burlington Street.

By S. O. HABERSHON, M.D. Lond., F.R.C.P., Senior Physician to, and late Lecturer on Medicine at, Guy's Hospital.
