gestive."—*Med. Times & G.*

"Dr. Mervon, by care-
ful perusal of antecedent
research, and not less care-
—*Lancet.*

J. and A. CHURCHILL, New Burlington Street.

Second Edition, Revised and Enlarged, with 31 Plates
(28 Coloured), folio, £7 7s.

The Thanatophidia of India :

being a Description of the Venomous Snakes of
the Indian Peninsula; with an Account of the Influence
of their Poison upon Life, and a Series of Experiments.
By J. FAYRE, M.D., C.S.I., Honorary Physician
to the Queen, late President of the Asiatic Society of
Bengal.

"This elaborate and
magnificent work is full of
matter of the highest inter-
est, not only to the scien-
tific naturalist, but to the
general reader, and espe-
cially to the inhabitants and
to the medical practitioners
of the regions in which
these animals most abound."
—*Athenæum.*

"The execution of this
large and handsome folio
reflects the highest credit
upon all concerned in it."
—*Saturday Review.*

"Dr. Fayer has raised
himself a memorial which
will not soon be forgot-
ten."—*Edinburgh Medi-
cal Journal.*

J. & A. CHURCHILL, New Burlington Street.
