CONTENTS. Gastric Ulcer—Treatment of Phthisis—Digitalis—Valvular Diseases of Heart—Acute Rheumatism—Diabetes—Sphygmograph and Cardiograph—Cyanosis—Aspiration in Pleuritic Effusion, etc.

"These most valuable records of careful clinical observation prove Dr. Foster to be a truly scientific, and, at the same time, a thoroughly practical physician."—*Dublin Medical Journal*.

"We have endeavoured to convey to our readers some impression of the mine of wealth the book contains."—*New York Medical Journal*.

J. & A. CHURCHILL, New Burlington Street.

Now ready, with Engravings, crown 8vo, 6s. 6d., Second Edition, Revised and Enlarged.

HEADACHES:

THEIR CAUSES, NATURE, & TREATMENT. By W. H. DAY, M.D., M.R.C.P.L., Physician to the Samaritan Hospital for Women and Children.

"Well worth reading. The remarks on treatment are very sensible."—*Boston Med. & Surg. Journal*.

"The appearance of a second edition so soon is the best evidence we could have of its having found acceptance with the profession."—*Practitioner*.

J. & A. CHURCHILL, New Burlington Street.

A Code of Medical Ethics:

By DR. JUKES STYRAP, Physician-Extraordinary to the Salop Infirmary, 8vo, cloth, 2s. 6d.
J. & A. CHURCHILL, New Burlington St., London.

CONTENTS: Address to the Profession. Introduction—with General and Special Rules for the guidance of the Faculty and the Public. The Duties of Practitioners to their Patients; and, conversely, of Patients to their Medical Advisers. The Duties of the Profession to the Public, and of the Public to the Profession. The Duties of Practitioners in support of professional character and status; in regard to professional services to each other; in respect to vicarious offices; in consultations; in reference to locum-tenentes, and incidental interference with other than their own patients; when differences occur between them; also, in reference to professional charges. Use of and property in prescriptions. Etiquette of the Profession on Commencing Practice.
