The British Medical Journal.

WEEKLY ISSUE, 8.750.

In addition to being supplied to the Members of the British Medical Association resident in all parts of the United Kingdom, the **BRITISH MEDICAL JOURNAL** is taken at the Clubs and at all the leading Medical Institutions of the Kingdom. It has also a large circulation in the British Dependencies and Colonies, on the Continent of Europe, and in the United States of America.

Its value as an Advertising medium for Books, Practices, Vacancies, Instruments, Drugs, etc., has recently been greatly increased by issuing it *with its leaves cut*.

The **BRITISH MEDICAL JOURNAL** is printed and published at the Offices, 161A, Strand, London, W.C. (Opposite Newcastle Street).

On Functional Derangements

of the LIVER. By C. MURCHISON, M.D., LL.D., F.R.S., Physician and Lecturer on Medicine, St. Thomas's Hospital, and formerly on the Medical Staff of H.M.'s Bengal Army. 8vo, price 5s. London: SMITH, ELDER, & Co., 15, Waterloo Place.

Just published, with 31 Life-size Illustrations prepared expressly for this Work, in crown 4to, price 7s. 6d.

The Mechanical System of

UTERINE PATHOLOGY, being the Harveian Lectures delivered before the Harveian Society of London, December, 1877. By GRAILY HEWITT, M.D., Lond., F.R.C.P., etc., President of the Harveian Society; Professor of Midwifery and Diseases of Women, University College, and Obstetric Physician to the Hospital.

"We have read these Lectures with great profit and pleasure; they give evidence throughout of being the result of much patient and philosophical research upon an important branch of gynaecology."

British Medical Journal.
London: LONGMANS & Co.

CLINICAL MEDICINE:

8vo, illustrated, ros. 6d.

LECTURES AND ESSAYS.

By BALTHAZAR FOSTER, M.D., F.R.C.P., Professor of Medicine in Queen's College, Physician to the General Hospital, Birmingham.

CONTENTS. Gastric Ulcer—Treatment of Phthisis—Digitalis—Valvular Diseases of Heart—Acute Rheumatism—Diabetes—Sphygmograph and Cardiograph—Cyanosis—Aspiration in Pleuritic Effusion, etc.

"These most valuable records of careful clinical observation prove Dr. Foster to be a truly scientific, and, at the same time, a thoroughly practical physician."

Dublin Medical Journal.

"We have endeavoured to convey to our readers some impression of the mine of wealth the book contains."

New York Medical Journal.

J. & A. CHURCHILL, New Burlington Street.

Price 1s., by post 1s. 1d.
