

# BRITISH MEDICAL JOURNAL:

Being the Journal of the British Medical Association.

No. **INDEX**  
**MEDICUS**

SATURDAY, APRIL 5, 1879.

{Registered as}  
a Newspaper.} **6d.**

## Contents.

**AN ADDRESS on SYPHILIS as an IMITATOR.** By JONATHAN HUTCHINSON, F.R.C.S., Senior Surgeon to the London Hospital, etc. .. 499

**ABSTRACT REPORT of LECTURES on the COMPARATIVE ANATOMY of MAN.** Delivered at the Royal College of Surgeons of England. By W. H. FLOWER, LL.D., F.R.S., Conservator of the Museum, etc. Lecture I .. 501

**ABSTRACT REPORT of the GULSTONIAN LECTURES on the LYMPHATIC SYSTEM and its DISEASES.** By JOHN CURNOW, M.D., Professor of Anatomy in King's College, etc. Lecture III .. 503

**SOME VARIETIES of SORE-THROAT.** By R. L. BOWLES, M.D. .. 503

**REMARKS on MORBUS COXARIUS.** By H. M. JONES, M.D. (Concluded from page 424) .. 504

**CLINICAL MEMORANDA.** Septicæmia and Stomatitis. By N. FROLIOTT, Surgeon-Major.—Herpes affecting the Inside of Cheek and Tonsil. By F. MASON, F.R.C.S.—Enteric Fever in Infancy. By W. S. PAGET, M.B. .. 505

**OBSTETRIC MEMORANDA.** Five Consecutive Unnatural Labours. By M. MONCKTON, L.F.P.S. .. 506

**SURGICAL MEMORANDA.** Treatment of Chronic Ulcers of the Leg by the Solid India-Rubber Bandage. By J. F. HORNE, F.R.C.S. Ed. .. 506

## HOSPITAL REPORTS.

**EAST LONDON HOSPITAL FOR CHILDREN.** Three Cases of Membranous Laryngitis (Dr. E. Smith and Dr. H. Donkin) .. 507  
**NORTH-EASTERN HOSPITAL FOR CHILDREN.** Cases of Croup (Dr. Sansom) .. 508

## REPORTS OF SOCIETIES.

**PATHOLOGICAL SOCIETY OF LONDON.** Three Specimens of Abscess of the Liver.—Piedra.—Discussion on Lardaceous Disease: Remarks by Dr. Dickinson, Dr. Turner, Dr. Gairdner, and Dr. Wilks .. 508  
**GLASGOW PATHOLOGICAL AND CLINICAL SOCIETY.** Discussion on the Treatment of Internal Aneurism: Remarks by Dr. McCall Anderson, Dr. John Duncan, Dr. G. W. Balfour, Dr. Gairdner, Dr. Byrom Bramwell, Dr. A. Robertson, Dr. D. Foulis, Dr. R. Perry, Dr. G. H. B. Macleod .. 509  
**MANCHESTER MEDICAL SOCIETY: MICROSCOPICAL SECTION** .. 512

## REVIEWS & NOTICES.

**TUFNELL (Jolliffe, M.R.I.A.)** The Consolidation of Internal Aneurism .. 513  
**NOTES ON BOOKS.** Dr. Klein's and Mr. Noble Smith's Atlas of Histology.—Dr. Macnoughton Jones's Atlas of the Diseases of the Membrana Tympani .. 514

## NEW INVENTIONS.

**Ozokerine.**—The Finger-ended Stethoscope.—Poroplastic Spinal Jackets.—Chlorozone .. 514

## SELECTIONS FROM JOURNALS.

**THERAPEUTICS.**—PATHOLOGY .. 514

## LEADING ARTICLES.

**ARMY MEDICAL DEPARTMENT: THE WAR-OFFICE REJOINER** .. 515  
**THE TEACHING OF MIDWIFERY IN LONDON** .. 516  
**THE MEDICAL COUNCIL AND COLONIAL AND FOREIGN DENTAL QUALIFICATIONS** .. 516  
**YELLOW FEVER** .. 516  
**THE WEEK.** Medical Items: Provident Convalescent Cottage Homes.—Prejudice by Adulteration.—Presentation to Dr. Wilks.—Death of Dr. Ogier Ward.—Select Committee on the Contagious Diseases Acts.—Cambridge Medical Institute.—A very high Death-rate.—The Case of Mr. Millerchip.—The Medical Defence Association.—Royal College of Physicians of London.—Clinical Thermometers.—East London Hospital for Children.—Harvey Tercentenary Memorial.—The Typhoid Fever Outbreak at Redhill.—Gurjun Oil in Leprosy.—Prince Waldemar.—House-Cisterns.—A Missionary Hair-Dye .. 517  
**THE WEEK.**—SCOTLAND .. 520  
**THE WEEK.**—IRELAND .. 521

## GENERAL COUNCIL OF MEDICAL EDUCATION AND REGISTRATION. SESSION 1879.

(Concluded from page 485) Payment of the Executive Committee.—Weights and Measures.—Ophthalmic Surgery.—The Clerks of the Council.—Report of the Finance Committee.—Fees for Restoration to Register.—Application from a Student.—The Case of Thomas Millerchip.—The Dental Curriculum.—Preliminary Education and Examination.—Colonial Medical Legislation.—The Teaching of Obstetric Medicine.—Qualifications for Registration as

Dentists.—The Executive Committee.—Votes of Thanks .. 522  
**THE GENERAL MEDICAL COUNCIL.** "The Man in the Gallery" .. 524  
**PARLIAMENTARY BILLS COMMITTEE OF THE BRITISH MEDICAL ASSOCIATION.** The Case of Surgeon-major Reid.—The Case of Mr. Millerchip.—The Medical Acts Amendment Bill.—Reform in the Medical Department of the Army.—The Faculty of Medicine of Oxford.—The Coroners' Bill .. 525  
**EVOLUTION OF THE VERTEBRATA** .. 527  
**INFIRMARY AND PRISON SURGEONS IN IRELAND** .. 528

## ASSOCIATION INTELLIGENCE.

**MEETING OF COMMITTEE OF COUNCIL.** 523  
**BRANCH MEETINGS TO BE HELD** .. 526  
**SOUTH OF IRELAND BRANCH: QUARTERLY MEETING** .. 526  
**SOUTH-EASTERN BRANCH: WEST KENT DISTRICT** .. 526  
**NORTH WALES BRANCH: INTERMEDIATE MEETING** .. 526

## CORRESPONDENCE

**MEDICO-PARLIAMENTARY** 530

**MILITARY AND NAVAL MEDICAL SERVICES** .. 532

**PUBLIC HEALTH AND POOR LAW MEDICAL SERVICES** .. 532

**HOSPITAL & DISP. MANAGEMENT** 533

**MEDICAL NEWS** .. 534

**OPERATION DAYS AT THE HOSPITALS** .. 534

**HOURS OF ATTENDANCE AT THE LONDON HOSPITALS** .. 534

**MEETINGS OF SOCIETIES DURING THE NEXT WEEK** .. 534

**LETTERS, NOTES, AND ANSWERS TO CORRESPONDENTS.**—The Unity of Poison of Scarlet Fever, Typhoid, etc.—Gouty Eczema.—"The Old Midwifery Practice and the New."—The Short Forceps superseded, etc. .. 534

## NOTICE.

In consequence of next Friday being GOOD FRIDAY, the Office of the **BRITISH MEDICAL ASSOCIATION** will be CLOSED, and the **JOURNAL** will be published on the day previous, Thursday, April 10th.

Just published, with over 100 Illustrations, 8vo, 5s.

## A Practical Introduction to MEDICAL ELECTRICITY.

By A. DE WATTEVILLE, M.A. B.Sc., M.R.S.C., Assistant-Physician to the Hospital for Epilepsy and Paralysis; late Electro-Therapeutical Assistant to University College Hospital.

"This little book will, we believe, be of great use to many.... It deals successively with the electric current, apparatus, electro-diagnosis, and treatment. The first chapter contains much valuable information.... The second is well written and fully illustrated by drawings.... The third is practically useful.... The fourth contains very many valuable hints and some acute criticism.... (In the fifth the author has) furnished clearly directions as to the form, force, and locality of medical applications.... We heartily commend the book to the careful study of those who are interested in the study of electro-therapeutics."—Dr. RUSSELL REYNOLDS, F.R.S., in *Brain*.

"Chapters I and II give a clear and excellent sketch of the physical basis of electro-therapeutics; and, within a few pages, a considerable mass of sound teaching upon elementary principles is condensed.... We can honestly recommend the book to our readers as an admirable practical guide to electro-therapeutics.... It impresses one as the work of a writer thoroughly conversant with his subject, theoretically and practically. There is a wholesome rational tone throughout, which stands in refreshing contrast to the spirit of many treatises on medical electricity."—*Dub. Med. Jour.*

"We heartily commend the work. It fully accomplishes the ambition of its author.... On the question of treatment the directions are reduced to something like scientific precision."—*Med. Examiner*.

## A. DE WATTEVILLE'S WORK—continued.

"It is evidently the work of one who has gone thoroughly into his subject. Nothing can be more admirable than the determination of the author to introduce a spirit—almost a new spirit—of accuracy into the muddle of electro-therapeutics. We give him a sincere welcome, and look forward to his doing great service in the department of medicine in which he has fortunately engaged."—*Westminster Review*.

"It is an exceedingly able *exposé* of the physical questions involved in applying electricity medically; and it contains also a number of practical hints which will be found of great advantage to those who intend occupying themselves with the various applications of electricity in general practice.... and who wish a short, clear, and accurate summary of what is known on the subject."—*Practitioner*.

London: H. K. LEWIS, 136, Gower Street.

By HERBERT TIBBITS, M.D., F.R.C.P. Edin. Senior Physician to the West End Hospital for Paralysis and Epilepsy.

## Handbook of Medical and SURGICAL ELECTRICITY.

Second Edition, Revised and Enlarged, with 95 Engravings, 8vo, 9s.

"This work fills up a hiatus in the literature of medical electricity. It is what it professes to be, and is a Handbook in the best sense of the word."—*The Lancet*.

"Everything is made so clear that any practitioner, whether he previously knew anything of electricity or not, may from this book at once begin the practical use of it."—*The Practitioner*.

**PART I of DUCHENNE'S LOCALIZED ELECTRISATION.** With 92 Engravings, 8vo, 7s. 6d.

**A MAP of ZIEMSEN'S MOTOR POINTS of the HUMAN BODY.** 5s.

**HOW TO USE A GALVANIC BATTERY.** With 13 Engravings, 8vo, 2s. 6d.

J. & A. CHURCHILL, New Burlington Street.

Now ready, Third Edition, revised and enlarged, 8vo, ros.

## Fistula. Hæmorrhoids, Painful

ULCER, STRICTURE, PROLAPSUS, and other DISEASES of the RECTUM: their Diagnosis and Treatment. By WILLIAM ALLINGHAM, F.R.C.S., Surgeon to St. Mark's Hospital for Fistula, etc., late Surgeon to the Great Northern Hospital.

J. & A. CHURCHILL, New Burlington Street.

Now ready, Second Edition, Revised and Enlarged, with Engravings on Copper and Wood, fcap. 8vo, 6s. 6d.

## The Student's Guide to the

PRACTICE of MEDICINE. By MATTHEW CHARTERIS, M.D., Professor of Medicine in Anderson's College, and Lecturer on Clinical Medicine in the Royal Infirmary, Glasgow.

J. & A. CHURCHILL, New Burlington Street.

Now ready, Translated by A. NAPIER, M.D., 8vo, 5s. 6d.

## Physiology and Pathology of

of the SYMPATHETIC SYSTEM of NERVES.

By Dr. A. EULENBURG, Professor of Medicine, University of Griefswald, and

Dr. P. GUTTMANN, Privat-Dozent in Medicine, University of Berlin.

J. & A. CHURCHILL, New Burlington Street.

Now ready, Fourth Edition, crown 8vo, 2s. 6d.

## Tables of Materia Medica,

comprising the Contents, Doses, Proportional Composition, and Methods of Manufacture of the Pharmacopœial Preparations, etc. By ISAMBARD OWEN, M.B., M.R.C.P., Medical Registrar and Lecturer on Botany at St. George's Hospital.

J. & A. CHURCHILL, New Burlington Street.

J. & A. CHURCHILL'S LIST is continued on the page facing the first Original Article
