A Guide to Therapeutics.

By ROBERT FARQUHARSON, M.D., F.R.C.P., Lecturer on Materia Medica at St. Mary's Hospital Medical School.

"The work will give many students an entirely new idea of the science of therapeutics, and show them what an intensely interesting study it is when followed in a rational and scientific manner. Dr. Farquharson has conferred a distinct benefit on the present and future members of the medical profession, and we venture to think that his book will do much to assist the progress which therapeutics is making towards scientific exactness."—*Students' Journal.*

London: SMITH, ELDER, & Co., 15, Waterloo Place.

Now ready, Fourth Edition, 8vo, 16s.
Dr. West on the Diseases of

WOMEN. Revised and in part Re-written by the Author, with numerous Additions by J. MATTHEWS DUNCAN, M.D., Obstetrical Physician to St. Bartholomew's Hospital.
