The publication of THE LONDON MEDICAL RECORD constitutes an epoch in Medical Literature.—Professor Burdon Sanderson, F.R.S., Address to British Medical Association, 1871.

THE LONDON MEDICAL RECORD, A MONTHLY ABSTRACT SUMMARY of MEDICAL PERIODICALS

Of all COUNTRIES and LANGUAGES, by A STAFF of upwards of 100 CONTRIBUTORS.

SPECIAL NOTICE.—*The LONDON MEDICAL RECORD contains a body of scientific information representing the most recent contributions to medical knowledge and progress by the practitioners and scientific medical workers of all parts of the World, which is declared by eminent medical men to be without example or rival in contemporary medical literature of any country. It is believed that it needs only to be seen by a large class of medical practitioners who are not at present familiar with its contents to be adopted even much more largely than at present as*

The MONTHLY INTELLIGENCER and DAILY COMPANION of the GENERAL PRACTITIONER as well as of the HOSPITAL PHYSICIAN and SURGEON. Price 1s. 6d. monthly, or 15s. 6d. annually, post free.

A SPECIMEN COPY of the LONDON MEDICAL RECORD will be sent free by post to any medical Gentleman applying for the same to Messrs. SMITH, ELDER, & Co., 15, Waterloo Place, London, S.W.

No. XXXVI. Price 2s. 6d.
