With Engravings, Third Edition, crown 8vo, 6s. 6d.

HEADACHES: THEIR CAUSES, NATURE AND TREATMENT.

By W. H. DAY, M.D., M.R.C.P.L., Physician to the Samaritan Hospital for Women and Children.

"Well worth reading. The remarks on treatment are very sensible."—*Boston Med. and Surg. Jour.*
"The appearance of a second edition so soon is the best evidence we could have of its having found acceptance with the profession."—*Practitioner.*

By the same Author, in the Press.

A MANUAL OF THE DISEASES OF CHILDREN.

J. & A. CHURCHILL, New Burlington Street.

Now ready, the Second Edition, much enlarged, with numerous Plates, price 12s. 6d.

SURGICAL ENQUIRIES;

Including the HASTINGS ESSAY ON SHOCK, the TREATMENT OF INFLAMMATIONS, and numerous Clinical Lectures.

By FURNEAUX JORDAN, F.R.C.S., Surgeon to the Queen's Hospital; Professor of Surgery, Queen's College, Birmingham; Consulting Surgeon to the Women's and West Bromwich Hospitals.

"Highly instructive and valuable observations on subjects in which he is known to have taken some special interest."—*Half-Yearly Abstract of the Med. Sciences.*

"We know of no surgical writer of the present day whose communications are more thoroughly replete with originality We wish this work all success, and feel assured we will receive the grateful thanks of every reader for directing his attention to this writer and to all his publications."—*Edin. Med. Jour.*

J. and A. CHURCHILL, New Burlington Street.

MALCOLM MORRIS ON SKIN DISEASES.

Now ready, with Illustrations, crown 8vo, 7s. 6d.

Skin Diseases: including their

Definitions, Symptoms, Diagnosis, Prognosis, Morbid Anatomy, and Treatment; a Manual for Students and Practitioners.

By MALCOLM MORRIS, F.R.C.S. Edin., Joint Lecturer on Dermatology, St. Mary's Hospital Medical School; and formerly Clinical Assistant, Hospital for Diseases of the Skin, Blackfriars.

"The book is clearly and concisely written, and the subject handled in a way calculated to be readily intelligible to students."—*THE LANCET.*

"It is an extremely skilful and intelligent condensation of the essentials of dermatology; and it shows throughout the marks of careful observation, as well as well-grounded scientific study. The arrangement is systematic, the style clear, and the matter accurate. The manual possesses therefore all the essentials of sound instruction, and is likely to lead to satisfactory practice on the part of those who rely on it for their guidance."—*BRITISH MEDICAL JOURNAL.*

London: SMITH, ELDER, & Co., 15, Waterloo Place.

Crown 8vo, price 6s.

Diseases of Women.

By LAWSON TAIT, F.R.C.S., Surgeon to the Birmingham Hospital for Women, etc.

"The distinguished merit of this book is its originality and practical character."—*Medical Times and Gazette.*

"It abounds in valuable hints as to diagnosis and treatment, which cannot but prove most useful to the general practitioner, while in it the gynaecologist will find the most recent theories as to the etiology and pathology of these affections, many of the views put forward being striking and original."—*Dublin Medical Journal.*

WILLIAMS & NORGATE, London and Edinburgh.

Next week, 70 Coloured Plates, imperial 8vo, £5 5s.

Lancereaux's Atlas of Pathological ANATOMY. Translated by W. S. GREENFIELD, M.D., Lecturer on Pathological Anatomy at St. Thomas's Hospital.

"* This English Edition contains all the plates of the original work, with ten added by the Editor.

J. & A. CHURCHILL, New Burlington Street.

Now ready, crown 8vo, 4s. 6d.
