HEADACHES:

THEIR CAUSES, NATURE AND TREATMENT.

By W. H. DAY, M.D., M.R.C.P.L., Physician to the Samaritan Hospital for Women and Children.

"Well worth reading. The remarks on treatment are very sensible."—*Boston Med. and Surg. Jour.*
"The appearance of a second edition so soon is the best evidence we could have of its having found acceptance with the profession."—*Practitioner.*

By the same Author, in the Press.

A MANUAL OF THE DISEASES OF CHILDREN.

J. & A. CHURCHILL, New Burlington Street.

Just published, with Cuts, 6d., by post 6½d.

The Advantages and Arrangement of DRY ASH and EARTH CLOSETS IN COUNTRY DISTRICTS. By LEONARD ARMSTRONG, Medical Officer of Health.

"Privies constructed on this plan would be a great improvement."—*Lancet.*

Newton Abbot: G. H. HEARDER.
London: W. KENT & Co.

Just Published, crown 8vo, cloth boards, 1s. 6d.

How to Feed an Infant. With Notes on some of the Common Ailments of Infancy.

By BENSON BAKER, M.D.
London: BAILLIÈRE, TINDALL, & Cox, 20, King William Street, Strand

MALCOLM MORRIS ON SKIN DISEASES.

Now ready, with Illustrations, crown 8vo, 7s. 6d.

Skin Diseases: including their

Definitions, Symptoms, Diagnosis, Prognosis, Morbid Anatomy, and Treatment; a Manual for Students and Practitioners.

By MALCOLM MORRIS, F.R.C.S. Edin., Joint Lecturer on Dermatology, St. Mary's Hospital Medical School; and formerly Clinical Assistant, Hospital for Diseases of the Skin, Blackfriars.

"The book is clearly and concisely written, and the subject handled in a way calculated to be readily intelligible to students."—*THE LANCET.*

"It is an extremely skilful and intelligent condensation of the essentials of dermatology; and it shows throughout the marks of careful observation, as well as well-grounded scientific study. The arrangement is systematic, the style clear, and the matter accurate. The manual possesses therefore all the essentials of sound instruction, and is likely to lead to satisfactory practice on the part of those who rely on it for their guidance."—*BRITISH MEDICAL JOURNAL.*

London: SMITH, ELDER, & Co., 15, Waterloo Place.

Crown 8vo, price 6s.

Diseases of Women. By

LAWSON TAIT, F.R.C.S., Surgeon to the Birmingham Hospital for Women, etc.

"The distinguished merit of this book is its originality and practical character."—*Medical Times and Gazette.*

"It abounds in valuable hints as to diagnosis and treatment, which cannot but prove most useful to the general practitioner, while in it the gynaecologist will find the most recent theories as to the etiology and pathology of these affections, many of the views put forward being striking and original."—*Dublin Medical Journal.*

WILLIAMS & NORGATE, London and Edinburgh.

NOTICE.

The Medical Directory.
