With Engravings, Third Edition, crown 8vo, 6s. 6d., Revised and Enlarged.

HEADACHES: THEIR CAUSES, NATURE, AND TREATMENT.

By W. H. DAY, M.D., M.R.C.P.L., Physician to the Samaritan Hospital for Women and Children.

“Dr. Day brings to bear upon his subject a large amount of experience and medical knowledge, and makes many therapeutical suggestions of extreme value.”—*Lancet*.

Now Ready, by the same Author, crown 8vo, 12s. 6d.

A MANUAL OF THE DISEASES OF CHILDREN.

“A safe guide to treatment both for Students and Practitioners.”—*British Medical Journal*.

J. & A. CHURCHILL, New Burlington Street, W.

Just published, in crown 8vo, price 7s. 6d.

Medical Diagnosis: a Manual of Clinical Methods.

By J. GRAHAM BROWN, M.D., Fellow of the Royal College of Physicians of Edinburgh; late Senior President of the Royal Medical Society of Edinburgh.

“A clearness and completeness which is not to be found in any book of the kind with which we are acquainted. It is difficult to choose out any part of this book for special notice, since it is distinguished throughout by the same clearness and completeness.... A valuable addition to medical literature, and we heartily recommend it to the notice both of students and of physicians.”—*British Medical Journal*.

BEIL & BRADFUTE, Edinburgh.

SIMPKIN, MARSHALL, & Co., London.

Now ready, pp. xxviii and 568, price 16s.

Foods: their Composition and ANALYSIS.

By A. WYNTER BLYTH, M.R.C.S., F.C.S., Public Analyst for the County of Devon. With numerous elaborate Tables and Illustrations, and Photographic Frontispiece.

“This exhaustive Treatise deserves a place in the library of every member of the medical profession.”—*Edin. Med. Journal*.

“An admirable digest of the most recent state of knowledge.”—*Chemical News*.

“The Monograph on Milk the most complete which we have yet met with.”—*Analyst*.
