## TABLE OF CONTENTS

|                                                                                  |                                                               |      |
|----------------------------------------------------------------------------------|---------------------------------------------------------------|------|
| Physiological Activity of D-Thyroxine                                            | RAYMOND GREENE, D.M., F.R.C.P., and HELEN E. A. FARRAN, B.SC. | 1057 |
| Immediate Uptake of Radioactive Iodine as a Test of Thyroid Function             | HELEN E. A. FARRAN, B.SC.                                     | 1060 |
| Occult Blood in Faeces After Administration of Aspirin                           | L. TH. F. L. STUBBÉ, M.D.                                     | 1062 |
| Use of Iproniazid in Ischaemic Angina Pectoris                                   |                                                               |      |
| M. K. TOWERS, M.B., M.R.C.P., and PAUL WOOD, O.B.E., M.D., F.R.C.P.              |                                                               | 1067 |
| Jaundice Associated with Administration of Iproniazid                            |                                                               |      |
| S. BENAÏM, M.B., M.R.C.P., D.P.M., and M. F. DIXON, M.B., M.R.C.P.               |                                                               | 1068 |
| Toxic Effects of Iproniazid in a Patient with Angina                             |                                                               |      |
| CORNELIO PAPP, M.D., and S. BENAÏM, M.B., M.R.C.P., D.P.M.                       |                                                               | 1070 |
| Treatment of Ulcerative Colitis with Local Hydrocortisone Hemisuccinate Sodium   |                                                               |      |
| S. C. TRUELOVE, M.D., M.R.C.P.                                                   |                                                               | 1072 |
| Treatment of Ulcerative Colitis with Topical Hydrocortisone Hemisuccinate Sodium |                                                               |      |
| GEOFFREY WATKINSON, M.D., M.R.C.P.                                               |                                                               | 1077 |
| Ankylosing Spondylitis                                                           | F. DUDLEY HART, M.D., F.R.C.P.                                | 1082 |
| Value of Azacyclonol on Chronic Schizophrenic Patients                           | SYLVIA REID, M.B., D.P.M.                                     | 1083 |
| An African's Mental Outlook in Britain                                           | W. I. B. ONUIGBO, M.B., B.SC.                                 | 1085 |

### MEDICAL MEMORANDUM

|                                                                                       |                    |      |
|---------------------------------------------------------------------------------------|--------------------|------|
| Congenital Reduplication of Ileo-caecal Valve Presenting as an Acute Intussusception. | E. DAYAN, F.R.C.S. | 1086 |
|---------------------------------------------------------------------------------------|--------------------|------|
