## TABLE OF CONTENTS

|                                                                                              |                                                           |      |
|----------------------------------------------------------------------------------------------|-----------------------------------------------------------|------|
| The Consummation of William Harvey                                                           | Sir ARTHUR THOMSON, M.D., LL.D., F.R.C.P.                 | 1303 |
| Reorientations in Hypertensive Disorders—II.                                                 | J. McMICHAEL, M.D., F.R.C.P., F.A.C.P., F.R.S.            | 1310 |
| Circulatory Effects of Guanethidine in Hypertensive Heart Failure                            |                                                           |      |
| SUJOY B. ROY, M.B., M.R.C.P.Ed., V. S. MATHUR, M.D., and M. L. BHATIA, M.D.                  |                                                           | 1315 |
| Phenindione Hepatitis Complicating Anticoagulant Therapy                                     |                                                           |      |
| R. W. PORTAL, M.B., M.R.C.P., and R. W. EMANUEL, D.M., M.R.C.P.                              |                                                           | 1318 |
| Epidemic of Tuberculosis in a Primary School                                                 | R. FAWCETT STRONGE, M.D., and SHEILA V. BALMER, M.B.      | 1319 |
| Liquid or Freeze-dried B.C.G. Vaccine                                                        | CHRISTINE L. MILLER, B.M., and BARBARA J. KINSLEY, B.SC.  | 1322 |
| Human Orf                                                                                    | J. NAGINGTON, M.D., and C. HOWARD WHITTLE, M.D., F.R.C.P. | 1324 |
| Pneumocystis Pneumonia                                                                       |                                                           |      |
| W. F. WHITE, M.B., H. M. SAXTON, M.B., F.F.R., M.R.C.P., and I. M. P. DAWSON, M.D., M.R.C.P. |                                                           | 1327 |

## PRELIMINARY COMMUNICATIONS

|                                                                                             |      |
|---------------------------------------------------------------------------------------------|------|
| Intercave Pneumoconiosis due to Anonymous Mycobacteria. J. MARKS, M.D., M.R.C.P., Dip.Bact. | 1332 |
|---------------------------------------------------------------------------------------------|------|

## MEDICAL MEMORANDA

|                                                                                                                                      |      |
|--------------------------------------------------------------------------------------------------------------------------------------|------|
| A Case of Familial Incidence of Ectopia Vesicae. L. H. GLASER, M.B., D.OBST.R.C.O.G., and A. P. ROSSITER LEWIS, M.B., D.P.M., D.P.H. | 1333 |
| Fascioliasis Presenting as a Localized Hepatic Mass. R. M. KIRK, M.B., F.R.C.S.                                                      | 1333 |
| Recurrent Thrombosis of Mesenteric Veins Complicating Cirrhosis of Liver. A. G. CHAPPELL, M.B., and G. WALTERS, M.D., M.R.C.P.       | 1334 |

## BOOK REVIEWS 1336

## GENERAL ARTICLES AND NEWS

|                                                                                                                                      |      |
|--------------------------------------------------------------------------------------------------------------------------------------|------|
| Should Retirement at a Fixed Age be Compulsory? A. J. ORENSTEIN, C.B., C.M.G., C.B.E., M.D., LL.D., D.Sc., F.R.C.P.                  | 1346 |
