Diseases of the Ovaries; their Diagnosis & Treatment. By T. SPENCER WELLS, F.R.C.S., Surgeon to the Queen's Household and to the Samaritan Hospital.

"Everywhere the author himself is speaking and telling us that which he has seen and knows."—*Med. Chir. Rev.*

"The student and practitioner will find the result of rich experience, of earnest thought, and of steady, well-balanced judgment."—*Brit. Med. Jour.*

"The best monograph on a practical subject that exists in any language, perhaps in any language."—*Edin. Med. Jour.*
J. and A. CHURCHILL, New Burlington Street.

With Plates, 8vo, 10s. 6d.
On the Treatment of FRACTURES of the LIMBS.

By SAMPSON GAMGEE, F.R.S. Edin., Surgeon to the Queen's Hospital, Birmingham.
"The work carries the impress of being the outcome of much earnest study and thought, and the result of long and wide experience.... The method of treatment it defends deserves a much wider and a more dispassionate consideration from surgeons than it has hitherto received."—*Med. Times and Gaz.*
J. and A. CHURCHILL, New Burlington Street.
