8vo, cloth, 6s.

On the Immediate Treatment of STRICTURE of the URETHRA.

By BARNARD HOLT, F.R.C.S.,
Senior Surgeon to the Westminster Hospital.

"Mr. Holt's method of treatment of stricture of the
urethra by 'immediate dilatation' is so fully recognised
and practised by surgeons of the day, that his work, in
which the results of his own practice are recorded, can
need no recommendation."—*The Lancet*.

"This work will both spread Mr. Holt's already well-
earned reputation, and, what he will value far more,
will help to lessen human suffering and prolong human
life."—*Edin. Med. Jour.*

J. and A. CHURCHILL, New Burlington Street.
