Demy 8vo, cloth, with Chromo-lithographic Plate, 10s. 6d.

On Loss of Weight, Blood-SPLITTING, and LUNG DISEASE.

"A person who suffers from loss of weight, blood-spitting, and lung disease, is generally thought to be in a consumption; but as either of these conditions may exist alone, may be due to a variety of causes, may be independent of the others, and may require special treatment, it is very important that each should be made the subject of a separate and careful consideration."—*Extract from Preface.*
J. & A. CHURCHILL, New Burlington Street.

On the Cure of Dysmenorrhœa, STERILITY, and Certain Affections of the Uterus by a New Form of Elastic Intra-Uterine Stem. By ROBERT GREENHALGH, M.D., formerly Physician-Accoucheur to, and Lecturer on the Diseases of Women and Children at, St. Bartholomew's Hospital; Consulting Physician to the City of London Lying-in and Samaritan Hospitals, etc. To be had of Messrs. CHURCHILL, 11, New Burlington St., London.
